

Australia Flash Cards

Instructions

- 1) Cut out each card, but do **not** cut in between the picture of the region and its name (that's where you'll fold it over).
- 2) Fold each card over so that the name of the region and its capital are on the other side from the picture.
- 3) Tape or glue each flash card together.

These flash cards can be used to practice the names and capitals. This free handout for geography educational activities is brought to you by squishLogic. We develop educational games for the iPhone and iPod Touch.

Please visit us at <http://squishlogic.com>.

JigsawGeo

Try our geography games for the iPod Touch or iPhone.

Parents can load them on their mobile device for their children to practice geography – just search for “JigsawGeo” in the iPhone App store.
